IMPORTS AND EXPORTS

FOR THE YEAR 1919-20.

The attached statement only gives the statistics relating to the export of domestic produce from the various ports in the Protectorate. The ultimate destination of the produce is not known as the great bulk of it is consigned to Agents at Mombasa for shipment. The general tables of Imports and Exports for both Protectorates now appear under the corresponding section of the Blue Book for the East Africa Protectorate.

* The Agreements entered into with the various divisions of this Province provide that " All waste and uncultivated land which is waste and uncultivated at the date of this Agreement : all forests, mines, minerals and salt deposits, shall be considered to be the property of His Majesty's Government." This implies that cultivated lands shall belong to the natives, and as the extent of these is not known they have not been included in lands alienated.

† It is understood that natives will not be disturbed in the possession of cultivated land in this Province.

‡ Free grants under various Agreements, etc., exclusive of land sold.

§ Water included in this total is estimated at 10,348,160 acres. As the Northern Boundary is still undefined and no survey has yet been completed the figures in the last column must be taken as approximate. See also Uganda Order in Council of 29th May, 1914, re alteration of Northern Boundaries.
